Federal law allows you to ask for certain information about your child's classroom teachers and requires us to give you this information in a timely manner if you ask for it. Specifically, you have the right to ask for the following information about each of your child's classroom teachers.

1. Whether the teacher has met all Delaware licensing and certification requirements for the grades and subjects he or she teaches.
2. Whether the teacher is teaching under an emergency or other provisional certificate because of special circumstances.
3. The teacher's major, whether the teacher has any advanced degrees and, if so, the subject of the degrees, and
4. Whether any paraprofessionals provide services to your child and, if they do, their qualifications.
